

COLLEGE HUB IMPACT REPORT

Fall 2017 to Spring 2019

Empowering and supporting those who face barriers to higher education and career readiness, so that all students in Central Texas have the tools to realize their goals – from application to graduation and beyond.

“With each passing day, each passing assignment, each new reading, I became more excited to see what I would learn next.”

- Free Minds Graduate

PROGRAM SPOTLIGHT: SUCCEED

Succeed is a collaboration between Foundation Communities and select local institutions of higher education that facilitates a clear pathway into and through college for nontraditional and first-generation students. Partners provide coordinated, one-on-one support services to each student.
