**Notice of Occupancy Rights Under the
Violence Against Women Act (VAWA)**

REASONABLE ACCOMMODATION/504 POLICY: FOUNDATION COMMUNITIES, Inc. and the City of Austin/Austin Housing Finance Corporation do not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs and activities. Dolores Gonzalez has been designated as the City's Section 504/ADA Coordinator. If you have any questions or complaints regarding your Section 504/ADA rights, please call her at 512-974-3256 (voice) or call 711. FOUNDATION COMMUNITIES and the City of Austin/Austin Housing Finance Corporation are committed to compliance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, as amended.

It is our policy, pursuant to Section 504 of the Rehabilitation Act and the Federal Fair Housing Act, to provide reasonable accommodations and modifications upon requests to all applicants, residents and employees with disabilities. A Reasonable Modification is a structural change made to the premises while a Reasonable Accommodation is a change, exception, or adjustment to a rule, policy, practice or service.

A person with a disability may verbally request a reasonable accommodation at any time during the application process. This request may be made by the applicant, a family member, or someone acting on behalf of the applicant – even if the words “reasonable accommodation or modification” are not used.

Management is obligated to offer qualified applicants with disabilities additional consideration in the application of rules, practices or services and structural alterations to the residential units if it will enable an otherwise eligible applicant or resident with an equal opportunity to access and enjoy the housing program.

Requests for Reasonable Accommodations of any selection criteria directly related to protections under Violence Against Women Act (VAWA) will require proper documentation within 14 calendar days to support the request. Any information provided will remain confidential except to the extent that the disclosure is required by applicable law. A tenant should know that owners have a right to deny a request in certain situations or request further information.

- Reasonable accommodations or modifications for the tenant's disability may be provided at the owner's expense unless the request presents an undue financial or administrative burden, is a structurally impracticable alteration, requires the removal of a load bearing wall or if it requires management to alter or change a basic component of the housing program, or the property was awarded tax credits before 2001.
- A provider is entitled to obtain information that is necessary to evaluate if a requested reasonable accommodation or modification may be necessary because of a disability. If a person's disability is obvious, or otherwise known to the provider, and if the need for the requested accommodation or modification is also readily apparent or known, then the provider may not request any additional information about the requester's disability or the disability-related need for the accommodation.
- If the requester's disability is known or readily apparent to the provider, but the need for the accommodation or modification is not readily apparent or known, the provider may request only information that is necessary to evaluate the disability-related need for the accommodation.
- A housing provider may request reliable disability-related information that (1) is necessary to verify that the person meets the Act's definition of disability (has a physical or mental impairment that substantially limits one or more major life activities), (2) describes the needed accommodation, and (3) shows the relationship between the person's disability and the need for the requested accommodation.
- Information verifying that the person meets the Act's definition of disability can usually be provided by a doctor or other medical professional, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability. In most cases, an individual's medical records or detailed information about the nature of a person's disability is not necessary for this inquiry.

Although a reasonable accommodation request can be made orally or in writing, it is usually helpful for both the applicant/resident and management if the request is made in writing. This will help prevent misunderstandings regarding what is being requested, or whether the request was made. To facilitate the processing and consideration of the request, residents or prospective residents may wish to complete a Reasonable Accommodation/Modification Request form for tracking purposes (available in the Leasing Office by request). However, management must give appropriate consideration to reasonable accommodation requests even if the requester makes the request orally or does not use the provider's preferred forms.

All requests for reasonable accommodations or modifications will be processed and responded to within 7-14 calendar days. If management is unable to provide a requested accommodation or modification, management will discuss with the requester whether there is an alternative accommodation or modification that would effectively address the

requester's disability-related needs without a fundamental alteration to the provider's operations or without imposing an undue financial or administrative burden. If an alternative accommodation would effectively meet the requester's disability-related needs and is reasonable, management must grant it.

For persons that do not speak English as their primary language and for those who have a limited ability to speak, write or understand English; Management will make reasonable efforts to provide language assistance to ensure meaningful access to the information and services we provide. This may include interpreter services and or written materials translated. For a sign language interpreter, please call the Leasing Office or 711 to make the request at least 4-5 days in advance.

DENIED APPLICATION POLICY: Applicants will be notified either in person or by U.S. mail, email and/or telephone of a denial and/or rejection of their application within seven (7) business days of the receipt of the completed rental application. The denial will state the specific reason for the denial and the criteria on which it is based. We will also include the name and contact information of the third party that provided the information on which the rejection was based. The required Notice of Occupancy Rights under the Violence Against Women Act will be included in all denials.

Any applicant that is denied for having income that is higher than property income limits, must wait one (1) year before re-applying. (No time constraints apply to any other denied applications.) Foundation Communities properties do not offer an appeals process for denied applications.

PRIVACY POLICY: We are dedicated to protecting the privacy of your personal information, including your Social Security or other governmental identification numbers. We have adopted a Privacy Policy to help insure that your information is kept secure. We follow all federal and state laws regarding the protection of your personal information.

You will be furnishing some of your personal information (such as your Social Security or other governmental identification numbers) at the time you apply to rent from us. We may use this information in the process of verifying statements made on your rental application, such as your rental, credit and employment history. We may use the information when reviewing any lease renewal. We may also use it to assist us in obtaining payment from you for any money you may owe us in the future.

In our company, only authorized persons have access to your Social Security or other governmental identification number. We keep all documents containing this information in a secure area, accessible only by authorized persons. We limit access to electronic versions of the information to authorized persons only.

If you found us through a locator service, please be aware that locator services are independent contractors and are not our employees, even though they may initially process rental applications and fill out lease forms. You should require any locator services you use to furnish you with their Privacy Policies, as well.

WAITLIST POLICY: The waitlist shall not exceed 60 participants. The income limits are shown in the Tenant Selection Criteria. Applicants and/or residents are placed in chronological order on the waitlist with consideration to accessibility features requested, if any.

If there is space available, the waitlist for the property will open on the first Wednesday of each month. Information about the waitlist opening can be found on the property pages of our website starting on the 25th of each month:

<https://foundcom.org/housing/our-austin-communities/>

The following information will need to be provided to be added to an OPEN waitlist:

- Name of the head of household and family size
- Contact Information - phone number, email or other preferred contact method
- Estimated anticipated annual income
- Need for an accessible unit or eligible preference

Applicants to the waitlist must call the property starting at the designated time on waitlist opening day. No walk-ins will be accepted. Case managers or family members may also put an applicant on the waitlist, but they may only provide information for one applicant per call.

This property cannot promise a possible length of waiting time as turn-over cannot be predicted. Disability status is **only** required if the applicant is requesting an accessible unit or reasonable accommodation; no specific medical information or documentation is required when being added to the waitlist.

It is our policy that preference will be given, under certain circumstances and with non-accessible units, to existing/ current residents over any applicant on our waitlist for the following reasons:

- Residents requiring an accessible unit, or
- Residents requesting a reasonable accommodation, or
- Resident protected under VAWA, or
- Emergency situations arise such as fire or flood and unit has been determined to be uninhabitable by management.

In accordance with 24 CFR 8.27 titled Occupancy of Accessible Dwelling Units and Chapter 1, Subchapter B of the Texas Administrative Code, if an accessible unit becomes available, we will first offer the unit to a current resident, having a disability requiring the accessibility features of the vacant unit and occupying a unit not having such features, and secondly we will offer the unit to an eligible qualified applicant on the waitlist having a disability requiring the accessibility features of the vacant unit. Otherwise, the selection process will be based on a first come, first served basis.

Current residents wishing to transfer from one unit to another within the community or who wish to apply for a lower rent restricted unit may be placed on the waitlist, as long as it is OPEN. Priority will be given to existing households requesting a unit transfer or designation change and current residents who are participating in a FOUNDATION COMMUNITIES' Special Programs over prospective applicants on the waitlist.

When Management has been notified of a planned or actual vacancy applicants are selected from the waitlist in the date order the name was added using the maximum income limits and household size as guidelines along with any priorities/preferences, disability/accessibility requirements and reasonable accommodations, if any.

Staff will contact a sufficient number of applicants to fill the vacancy by phone, email, or U.S. mail if that information is given. Management will also call or email a case manager or other contacts listed in order to ensure the applicant is aware of the vacancy and their opportunity to apply for residency. It is the prospect's responsibility to update contact information as it changes. Documentation of the attempted contacts will be noted.

Once an applicant is notified of a vacancy, an appointment will be set to complete the leasing application. The required Application Fee must be submitted along with proof of current income. The Application fee is non-refundable and will be applied to the credit and initial criminal background screening to determine eligibility.

Applicants who have been contacted and fail to respond to a notification of a vacancy within 48 hours, or who have turned down an offer for a unit twice, or who fail to meet the requirements as outlined in the Tenant Selection Criteria, will be eliminated from the waitlist. Applicants may also be dropped from the waitlist if they fail to appear at a scheduled appointment time or they cancel more than one (1) appointment. Any participant who has been removed from the waitlist and wishes to be put back on will be placed at the bottom, provided the waitlist is OPEN.

Any applicant who displays abusive, harassing or threatening behavior during the waitlist or application process will become ineligible to be placed or remain on the waitlist and/or apply for residency at any Foundation Communities property for a period of one year from the time of ineligibility. This removal and/or prohibition will be made effective with the approval

of the District Manager.

If the waitlist is CLOSED (due to having the maximum participants) no additional names will be added to the waitlist until there is an opening. Openings will be created either by elimination from the waitlist or through the fulfillment of vacancies.

Here are a few things you need to know about applying for a unit:

- Once a unit has given us a notice to vacate, management will contact up to the first 5 names from the waitlist in chronological order. The selection process will be based on first come, first serve.
- At the time of application, you must bring the following:
 - \$25 non-refundable Application Fee (Money Order or Cashier's Check)
 - Income Verifications which may include: Most recent four (4) consecutive paycheck stubs, Tax Return/Bookkeeping Records with supporting documentation (if self-employed), Social Security Award Letter, VA Benefits, etc.
 - Asset Verification which may include: 6 months of checking account statements, most recent statements for any savings account or pre-paid debit cards, current statements for any investment accounts including a 401K, IRA, Money Market, etc.
- It is your responsibility to notify our office of any changes or updates to your contact information, household income, and desired move in date.
- Applicants failing to respond to Management's notification within 48 hours will be eliminated from the waitlist and Management will move on to the next applicant.

PET POLICY: This property is a No Pet Community with the exception of a Qualified Service/Assistance animal.

- You may not have any animal without management's prior approval in writing.
- Specific animal, breed, number, weight restrictions, pet rules and pet deposits will not apply to an applicant/resident who qualifies for a service/assistance animal(s).

The term "smoking" means inhaling, exhaling, breathing, carrying, or possessing any lighted cigar, cigarette, pipe, other tobacco product or similar lighted product in any manner or in any form. RECERTIFICATION POLICY: This property is a 100% Low-Income Housing Tax Credit Program (LIHTC) Development. All units are occupied by households that have completed the initial qualification process. The owner has elected not to process annual recertifications on tenants at this Development, as allowed under IRC §42.

All residents will be required within 120 days of their move-in anniversary date to complete an Annual Eligibility Certification and a Self-Certification of Income and Assets which includes collecting household data, but does not include a full verification process.

UNIT TRANSFER POLICY: If a current household requests to transfer to a different unit due to one of the following reasons, the transfer will be made without obligation to meet income requirements, regardless of your lease status and will not be subject to a 60 day written notice, additional deposit, a unit inspection or transfer fee. If a unit is not currently available at the time of the request, the household will go to the top of the Waitlist behind any other current residents who have made a transfer request based on these situations:

- Residents requiring an accessible unit, or
- Residents requesting a reasonable accommodation, or
- Resident protected under VAWA, or
- Emergency situations such as fire or flood and unit has been determined to be uninhabitable by management

Current residents who request to transfer from one unit to another unit within the community for a reason other than for a Reasonable Accommodation, are subject to the following rules per program guidelines:

Regardless of the Household's income at the last certification, the units "swap status" and the move in date is the date the HH moved into the building and NOT when the Household transferred to another unit in the building. All annual requirements are due from the date the Household originally moved into the building and NOT when they transferred.

Transfers not based on a Reasonable Accommodation, VAWA or emergency situation need to meet the following requirements:

- Current Lease Contracts must be expired prior to transferring.
- A new Security Deposit is required to hold a new apartment. All Security Deposits will be subject to the rules outlined in the TAA Lease Paragraphs 40 and 41.1.
- A refund of your Security Deposit on the previous unit (less lawful deductions) will be mailed within 30 days after vacating.
- A walk-through of your current apartment will be conducted by Property Management. Residents with evidence of an infestation will not be approved for transfer. Property Manager must approve all transfers.
- No lease violations in the previous 12 months. Previous violations will be evaluated by Management.
- No more than 2 late payments or NSF payments in the past 12 months.
- If a unit is not available at the time of the request, the household will be placed on the Wait List. Preference is given to current residents over prospective applicants on the Wait List.
- Households not in good standing will not be eligible for a transfer and will be removed from the WaitList.

NON-RENEWAL / TERMINATION POLICY: This property may not terminate tenancy or refuse to renew the lease of a Resident except for:

- Serious or repeated violations of the terms and conditions of the lease;
- Violation of applicable Federal, State, or local law;
- Completion of tenancy period for transitional housing; or
- Other good cause

Prior to serving a 30 (thirty) day notice to terminate or refusal to renew the tenancy on the resident, The manager must provide the resident with at least a 10 (ten) day opportunity to cure any alleged lease violation with the exception of lease violations based on drug activity; serious, violent criminal activity; or other serious criminal activity.

We must serve written notice upon the resident specifying the grounds for the termination or non-renewal at least 30 (thirty) days before the effective date of the termination or nonrenewal. The notice to terminate or non-renewal must be served on the resident by either: (1) hand delivery to the resident, (2) posting the notice on the inside of the apartment's main entry door, or (3) through U.S. mail (first class, certified or registered delivery).

If the Tenant does not vacate the premises by the effective date of the termination as set forth in the notice of lease termination, the manager shall give resident a 3 (three) day written Notice of Holdover requesting the resident to vacate the premises and, if the resident has not vacated the premises by the end of the third day, the manager will then proceed to obtain possession of the apartment through the eviction process.

You may have certain protections under the Violence Against Women Act (VAWA). If you are a victim of domestic violence, sexual assault, dating violence or stalking, you as well as members of your family, may have protection, from being denied housing or from losing housing as a consequence of domestic violence, sexual assault, dating violence or stalking. The required Notice of Occupancy Rights under the Violence Against Women Act will be included in all lease terminations or non-renewals. Further information regarding VAWA can be found at: <http://www.justice.gov/ovw>

Individuals with a disability have a right to request a reasonable accommodation under the Fair Housing Act in response to a Notice to Cure, Notice to Vacate, Non-Renewal or Termination Notice either verbally in person, in writing, via email, or by phoning the Management Office at the number at the bottom of this document.

GRIEVANCE POLICY: FOUNDATION COMMUNITIES (FC) strives to provide high quality customer service and ensure equitable and fair treatment to all residents. There are a number of ways you can provide feedback on how we are doing.

For general feedback, please complete the survey provided at your community's annual event. For specific concerns:

1. First try to resolve issues on-site with the staff person most closely related to your concerns.
2. You can also submit concerns on our website at www.foundcom.org/contact-us/
3. If you would like to speak to a supervisor, call our administrative office at (512) 447-2026 for contact information.
4. File a formal grievance via the process outlined below. This option will result in a written response.
5. Grievance Form is at the end of this document.

A formal grievance may be filed if you feel that you have been treated unfairly and/or that a policy is being applied incorrectly in a way that negatively affects you specifically. Before filing a formal grievance, you must attempt to resolve the issue on-site with the staff person most directly related to your grievance. All grievances must move through the supervisory chain as directed by this policy before being evaluated by FC directors. The grievance process is intended to address issues that exist with FC staff or policies, not resident-to-resident issues.

The grievance process cannot be anonymous. Anyone filing a grievance must sign his/her name to the grievance and be available to discuss the issue. Information disclosed should not be considered confidential. Information contained in the grievance will not be shared with other residents; however, it will be shared with relevant property staff and supervisors in order to resolve the grievance. All grievances should be turned in within thirty (30) days of the incident. If you need assistance in completing the form, you may contact any staff person with whom you feel comfortable. Any resident participating in the grievance process is expressly protected from retaliation.

Steps for filing a formal grievance

1. Address your grievance to the staff person with whom your issue is associated by requesting a meeting to discuss the problem. You may request that another on-site staff person be present for the meeting to serve as a witness. *Complaints against maintenance staff or desk clerks should be directed to the property manager.
2. If you do not feel that your grievance was adequately addressed during your meeting with on-site staff, you will be

provided with a grievance form. Fill it out in as much detail as possible and submit it to either the property manager or the supportive services staff at your community. The form will be forwarded on to the direct supervisor of that staff person. You will receive a copy of your grievance form as well.

3. The direct supervisor will review the form and investigate the issue to the extent that he/she feels necessary. The direct supervisor will record his/her conclusion on the grievance form, sign and date the form and return it to the on-site staff within 10 days of receiving the grievance.
4. On-site staff will inform you of the decision made by the supervisor and provide a copy of the completed form to you.
5. If you are still unsatisfied with the conclusion of the supervisor, you have the right to contact the supervisor directly. That contact information will be provided by on-site staff.
6. Grievances will move up the chain of command in this manner until a resolution is reached. Chain of command:
On-site staff > Director of Supportive Services/District Manager > Director of Supportive Housing Management > Deputy Director

Land Use Restriction Agreement (“LURA”)

- This property must operate in accordance with its Land Use Restriction Agreement (“LURA”) as affordable housing, whether or not ownership or management agents change.
- The LURA:
 - Says the property must be suitable for occupancy and in good repair;
 - Sets the maximum rents that can be charged;
 - Prohibits evictions for other than good cause;
 - Provides your rights to occupy a unit if you participate in the Housing Choice Voucher (“HCV”), HOME Tenant Based Rental Assistance (“TBRA”), or other federal, state, or local rent payment program;
 - Lists the number and type of property amenities and/or services that must be provided by the TDHCA monitored property. The amenities and/or services required to be provided at this property include: [This section should not be blank when provided to the tenant.]

Your Rights as a Renter in a TDHCA Monitored Property

In addition to Texas Property Code requirements, **TDHCA Monitored Property Owners Must:**

- Keep properties suitable for occupancy and in good repair consistent with Uniform Physical Condition Standards (“UPCS”) published by the U.S. Department of Housing and Urban Development (“HUD”).
- Estimate utility costs at the property, annually review the utility allowance they calculate, and make utility allowances available for inspection. Utility allowances are used to help determine the amount a property owner will charge for rent.

- Provide reasonable accommodations or modifications for a tenant's disability at the property owner's expense unless the request presents an undue financial and administrative burden on the owner or if the property was awarded tax credits before 2001 (unless otherwise agreed to in the LURA).
- Offer written leases.
- Provide tenants with written notice in the event of lease termination or non-renewal.

TDHCA Monitored Property Owners *Are Not Allowed To:*

- Lock out or seize property of tenants who have not paid rent except by judicial process or as expressly allowed under Texas Government Code §2306.6738 (cases of necessary repair, construction work, emergencies, or in the event of tenant abandonment of a unit).
- Charge rents in excess of program-specific rent limits that are published each year.
- Require households that get rent payment help from a federal program, such as Housing Choice Voucher/Section 8, HOME or other federal program, to establish a minimum income standard that requires more than 2.5 times their portion of the monthly rent or \$2,500 whichever is greater.
 - Example: If your household gets federal rent payment help and your household's portion of the rent is \$200 per month, you do not have to show that your household makes more than \$500 per month ($\$200 \times 2.5 = \500) to be eligible for housing.
 - Example: If your household gets federal rent payment help and your household income is less than \$50 per month, you do not have to show that your household makes more than \$2,500 per year to be eligible for housing.
- Deny households housing just because of participation in the Housing Choice Voucher/Section 8, HOME or other federal, state, or local rental assistance program
- Refuse to renew the lease or evict tenants without good cause. Landlords may not retaliate against renters who have made a discrimination complaint or who have assisted others in exercising their fair housing rights, including rights to request a reasonable accommodation or modification.

Fair Housing - It's Your Right!

This property must follow federal, state, and local fair housing laws. Fair housing laws say everyone has a right to fair and equal housing choices and opportunities. This means you cannot be denied an apartment based on your race, color, national origin, religion, sex, disability, or whether or not your household includes children under the age of 18.

For example, all properties must:

- Give everyone the same rental terms and conditions.
- Show everyone the location of every available apartment.
- Advertise to everyone broadly and in a non-discriminatory manner.
- Make reasonable accommodations or modifications for people with disabilities.
 - A reasonable accommodation or modification request may be made by a person with a disability or on their behalf. The accommodation or modification must:
 - Be related to a disability;
 - Not cause an undue administrative and financial burden to the owner; and
 - Not change the basic nature of the program governing the property
 - If your request is denied, your property representative must talk with you about an alternative option that may meet your disability-related needs.

How to Request Reasonable Accommodations and Modifications

- If you have a disability-related need, ask your property manager for the Reasonable Accommodation Policy. This policy will tell you how to request an accommodation or modification. A tenant should know that a property *can* request verification of a disability if the disability or need for the accommodation is not obvious, but the property *cannot* request information about the nature, extent, or severity of the disability.
 - **Reasonable Accommodations:** A reasonable accommodation is a change in the way things are usually done that may be needed for a person with a disability to use and enjoy a dwelling or common area. Examples include:
 - Allowing a service dog, even if the property has a ‘no pet’ policy.
 - Providing an assigned parking space closer to a unit.
 - Requesting a unit transfer from an upper floor to a ground floor unit.
 - Requesting interpreters or auxiliary aids to communicate effectively with management.
 - **Reasonable Modifications:** A reasonable modification is a change to an apartment.
 - Property managers may allow a disabled person to make changes to an apartment.
 - The disabled person may have to pay for the changes.
 - Examples of reasonable modifications include:
 - Adding grab bars to a bath tub or shower
 - Widening doorways
 - Adding a ramp to make an entrance accessible
- A tenant should know that owners have a right to deny a request in certain situations.
- Reasonable accommodations or modifications for the tenant’s disability may be provided at the owner’s expense unless the request presents an undue financial or administrative burden on the owner or the property was awarded tax credits before 2001.
 - If you need to find out if a property was awarded tax credits before 2001 or to request a copy of the LURA, contact TDHCA at 800-525-0657 or email open.records@tdhca.state.tx.us.

FOUNDATION COMMUNITIES

Notice of Occupancy Rights under the Violence Against Women Act¹

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for persons that have been subject to domestic violence, dating violence, sexual assault, or stalking.² VAWA protections are available equally to all individuals regardless of sex, gender identity, or sexual orientation.³ The Texas Department of Housing and Community Affairs is the State agency that oversees (please circle the covered program) **the Housing Tax Credit, HOME Multifamily, HOME Tenant Based Rental Assistance, Tax Credit Assistance Program-Repayment Funds, National Housing Trust Fund, Emergency Solutions Grant, and the Housing Choice Voucher Program “covered program”**. This notice explains your rights under VAWA. A U.S. Department of Housing (“HUD”) approved certification form is attached to this notice. You can fill out this form to show that you are or have been subject to domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.

Protections for Applicants

If you otherwise qualify for assistance under **a covered program listed above**, you cannot be denied admission or denied assistance because you are or have been subject to domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under **the covered program**, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been subject to domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been subject to of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under **the covered program** solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

¹ Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

² The VAWA statute uses the term victims to describe those with VAWA protections, but the Department herein refers to this class of persons as subject to protections under VAWA.

³ Housing providers in the covered programs cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Removing the Abuser or Perpetrator from the Household

The Housing Provider (“FC”) may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If FC chooses to remove the abuser or perpetrator, FC may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, FC must allow the tenant who is or has VAWA protections and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, FC must follow Federal, State, and local eviction procedures. In order to divide a lease, FC may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking (such as HUD’s self-certification form 5382).

Moving to Another Unit

Upon your request, FC may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, FC may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking. If your housing provider does not already have documentation that you have been subject to domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

(2) You expressly request the emergency transfer. Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You have been subject to sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you have been subject to sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

FC will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and work to ensure the confidentiality of the location of any move by such victims and their families.

FC's emergency transfer plan provides further information on emergency transfers, and FC must make a copy of its emergency transfer plan available to you if you ask to see it.

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

FC can, but is not required to, ask you to provide documentation to “certify” that you are or have been subject to domestic violence, dating violence, sexual assault, or stalking. Such request from FC must be in writing, and FC must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. FC may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to FC as documentation. It is your choice which of the following to submit if FC asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form (HUD form 5382) given to you by FC with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that FC has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, FC does not have to provide you with the protections contained in this notice.

If FC receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), FC has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, FC does not have to provide you with the protections contained in this notice.

Confidentiality

FC must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

FC must not allow any individual administering assistance or other services on behalf of FC (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

FC must not enter your information into any shared database or disclose your information to any other entity or individual. FC, however, may disclose the information provided if:

- You give written permission to FC to release the information on a time limited basis.
- FC needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires FC or your landlord to release the information.

VAWA does not limit FC's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, FC cannot hold tenants who have been subject to domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been subject to domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if FC can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

- 1) Would occur within an immediate time frame, and
- 2) Could result in death or serious bodily harm to other tenants or those who work on the property.

If FC can demonstrate the above, FC should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any Federal, State, or local law that provides greater protection for persons subject to domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for persons subject to domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

Non-Compliance with the Requirements of This Notice

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with TDHCA at <https://www.tdhca.state.tx.us/complaint.htm> or 800-525-0657 or 817-978-5600 the HUD Fort Worth regional office, (800) -669-9777, (TTY 817-978-5595).

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Use of This Optional Form: If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

Submission of Documentation: The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.
