

To ensure that Foundation Communities is doing all we can to protect our community, the two Prosper Centers are currently closed to walk-ins. All four Prosper Programs remain available to community members:

Tax Help

There are two ways to file your taxes with us this year: (1) Enroll online using our virtual platform (2) Schedule an appointment for intake at one of our three physical locations. Your tax return will not be completed during your appointment. We will scan all documents and complete an intake interview. Our staff will then call you when your tax return is ready to schedule a follow-up appointment for tax return signature and pickup. For more details, visit the [Austin Tax Help](#) page or call 512-610-7374.

College Hub

The College Hub is open for phone and virtual appointments. For details, visit the [College Hub](#) page, or call 737-717-4000.

Health Coverage

The Health Coverage Program is open by phone only. For details, visit the [Health Coverage](#) page, or call 512-381-4520.

Financial Wellness

Financial Coaching is open for phone and virtual appointments. For details, visit the [Financial Wellness](#) page, or call 737-717-4000.

We will share updates here as we adjust service delivery in response to COVID-19. Updated January 2021.
