

COLLEGE HUB IMPACT REPORT

Fall 2017 to
Fall 2020

Empowering and supporting those who face barriers to higher education and career readiness, so that all students in Central Texas have the tools to realize their goals – from application to graduation and beyond.

2,683
STUDENTS SERVED

\$7,940,000
FINANCIAL AID ACCESSED

PROGRAM SPOTLIGHT: **SUCCEED**

Succeed is a collaboration between Foundation Communities and select local institutions of higher education that facilitates a clear pathway into and through college for nontraditional and first-generation students. Partners provide coordinated, one-on-one support services to each student.

Free Minds . . . completed my puzzle to be what I am now: fearless, a thinker, the educated Free Minder who is hungry for more and more learning in this life's journey.

- **Free Minds Graduate**

PROGRAM SPOTLIGHT: FREE MINDS

The Free Minds Project provides Austin-area adults living on limited incomes with a chance to explore their intellectual potential. The program offers a free year-long college course in humanities to adults who have faced barriers to education.
