

# FOUNDATION COMMUNITIES WELCOME HOME LUNCHEON

## 2022 Sponsorship

For more than 30 years, Foundation Communities has developed and managed attractive, service-enriched, affordable homes for thousands of people with low incomes, connecting them with resources that support economic and housing stability.

The Welcome Home Luncheon is the only fundraising event we host annually. This year's event is on October 18, 2022, overlooking Laurel Creek Apartments, and will provide an opportunity to learn more and invest in this work.

Your investment will ensure we completely cover all event costs and proceeds help build capacity for education, financial wellness, and healthy living programs that can truly transform lives.

**Thank you for considering a sponsorship!**
