

FOUNDATION COMMUNITIES SPRING TERRACE 2-MILER

Sponsorship

The annual Spring Terrace 2-Miler is a combined athletic event and health fair for Foundation Communities' seven supportive housing community residents. This inclusive opportunity encourages participants to run, walk, or roll for two miles and promotes the vision that everyone can and should have the opportunity to participate in physical activity in a fun social environment. The health fair brings health centered vendors onsite to promote medical, social, and community resources for residents to utilize including low cost dental providers, health screenings, and community clinics.

Program success is evaluated by participants' attendance at the event, increase in self-efficacy to perform physical activity, and increase in well-being.

\$2,500

Annual Sponsorship:

- ➔ Provides event food and water
- ➔ Participants receive an event bag including: t-shirt, bandanas, water bottle, cool towels, sunglasses, and more
- ➔ Participant awards
