

FOUNDATION COMMUNITIES - WELCOME HOME BASKETS

Welcome Home Baskets are laundry baskets filled with new household items essential to making a new apartment feel like home. Welcome Home Basket supporters help ensure each new FC resident, whether individuals living in our [supportive housing](#) or families in our [Children's Home Initiative](#) program, receives a warm welcome to the neighborhood. These baskets are a physical representation of a fresh start and are typically valued at \$150-\$250 each, depending on household size.

Together, with your support, we can help support more neighbors on their path to achieve educational success, financial wellness, healthier lifestyles and housing stability.

Most needed items:

- ★ Eco-friendly cleaning supplies
(e.g. Method, Seventh Generation, Mrs. Meyer's, etc.). Cleaning supplies are always in demand.
