

2022 PROSPER CENTERS **IMPACT REPORT**

Many of the issues, concerns and economic implications that impacted Central Texas in 2020 and 2021 continued to affect us in 2022. However, when faced with challenges and changes, the Prosper Centers continued their steadfast commitment to aid Central Texans in their journey towards a more prosperous and healthy life. Together, we have established the Prosper Centers at Foundation Communities as a valuable community resource. We'd also like to thank our generous donors, dedicated partners and esteemed clients for trusting our services to the local community.
