

# 2022 FINANCIAL WELLNESS **IMPACT REPORT**

The Prosper Financial Wellness team celebrated a year of growth in 2022 through the expansion of the team of staff, volunteers, and engagement in our programming. Thank you to our staff, volunteers, community partners, and generous supporters for helping community members reach their financial goals.

**756** total clients served

**32** volunteers donated **1710** hours

**635** Financial Coaching Clients

**73%** of clients made progress towards their financial goals!

Rent Reporting participation increased by **58%** in 2022

**114** Foundation Communities residents participated in rent reporting

**85%** Improved their credit score

“This program really helps people if the person opens up with their coach. As a person I feel I have found a friend who listens and gives advice. I feel comfortable explaining my problems. Good program.”

— Financial Coaching Client

“I never knew about the services but am so glad that I found these resources because they are super helpful and make me feel like I have to ability to take control of my finances.”

— Financial Coaching Client
