PROGRAM HIGHLIGHTS for the 2023-24 Academic Year

A supportive program that provides first-gen and adult students with a dedicated coach, matched savings for tuition, emergency funds, and specialized referrals on campus and across the community.

**111** students completed Fall 2023 and/or Spring 2024 semesters obtaining **210** credits

Average GPA for the year:

Fall 2023: **2.9**

Spring 2024: **3.0**

In 2024, we launched classes that help apartment residents and community members increase their use of technological devices, access to the Internet, and additional digital skill-building. These classes have rotated through three apartment complexes so far and we look forward to growing into this programming in the years to come.

**124** students served in our first year of this program

**33%** of residents request on-going 1-on-1 support after classes end

An initiative that connects adults who are interested in advancing within their career or entering a new line of work with supportive pathways through credentials or job training.

We maintain over **30** partnerships with local colleges, workforce trainers, and community-based organizations to support client connections to training and resources.

**117** clients signed up to learn about options to up-skill or re-skill.
