

Clear a pathway into and through college.

Designed with you in mind, Succeed can help you overcome obstacles to reaching your educational goals.

Succeed students will have access to:

- ✓ A college success coach to support you along your educational journey
- ✓ Job coaching to prepare a resume and look for employment during school or after you complete your degree
- ✓ Assistance completing financial aid and scholarship applications
- ✓ Matched savings and emergency funds
- ✓ Foundation Communities' supportive services to improve credit, pay off debt, increase savings, or manage a budget
- ✓ Tax help and health insurance enrollment through the Prosper Centers

MENTORING AND SUPPORTING THOSE WHO FACE BARRIERS TO EDUCATION

Want to earn your degree? Looking for support to get there? Succeed can help!

You may be eligible to apply for the Succeed program if you:

- » **Are the first in your family to attend college or are a post-traditional student?**
You may be a post-traditional student if you did not start college right after high school, are returning to school after time away, hold a GED, are a parent, are employed, or are considered financially independent
- » **Plan to attend a local accredited university or college for the upcoming academic year?**
- » **Want to work with a college success coach at the College Hub for at least one academic year?**

**Apply to join
